Mercury Marine introduces new repower promotion

January 3, 2014

Mercury Marine has launched a new repower promotion that includes the 9.9hp ProKicker, 15hp ProKicker and 30hp and above outboards, including popular FourStroke and OptiMax engines.

Consumers who purchase a qualified engine from a participating dealership now through March 31, 2014, will receive a rebate of up to $1,500.

Boaters considering repowering with a reliable and efficient Mercury outboard can get more details about the Mercury Repower Sellathon promotion from their participating dealership.

About Mercury Marine

Headquartered in Fond du Lac, Wis., Mercury Marine is the world’s leading manufacturer of recreational marine propulsion engines. A $2 billion division of Brunswick Corporation (NYSE: BC), Mercury provides engines, boats, services and parts for recreational, commercial and government marine applications, empowering boaters with products that are easy to use, extremely reliable and backed by the most dedicated customer support in the world. Mercury’s industry-leading brand portfolio includes Mercury and Mariner outboard engines; Mercury MerCruiser sterndrive and inboard packages; MotorGuide trolling motors; Mercury propellers; Mercury inflatable boats; Mercury SmartCraft electronics; Attwood marine parts; Land ‘N Sea marine parts distribution; and Mercury and Quicksilver parts and oils.
