

PACKLESS SEALING SYSTEM PSS SHAFT SEAL

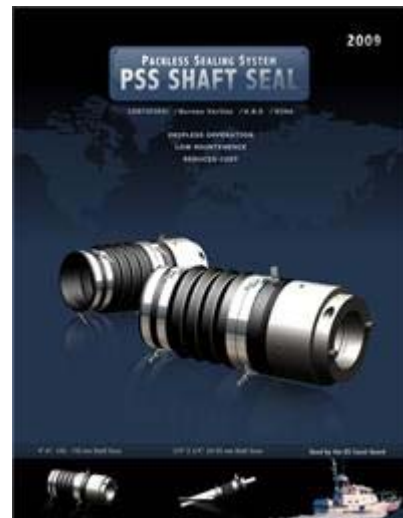

PSS Shaft Seal Official Website Launch

[PYI Inc](#) is pleased to announce the completion and launch of their new [PSS Shaft Seal specific website](#). Available at www.shaftseal.com, the site will be translated in over 10 languages, is complete with product line drawings and dimensions, interactive 3D images, [installation / demonstration videos](#) and interactive google maps for dealer / distributor location & advertisement.

The PSS Shaft Seal is the number one selling marine mechanical seal worldwide and is installed as standard equipment by many of the worlds most reputable [boat builders / yards](#). The PSS Shaft Seal is also recognized as the premiere retrofit (aftermarket) seal on the world market. Certified by Bureau Veritas & ABS: Boat builders / yards recognize the advantages and value of installing the PSS as it eliminates the maintenance, constant adjustment & cost associated with traditional packing type glands.

Please contact us with any questions or if you would like to receive our **website update kit** including: (updated images, web catalog, video embed codes, interactive 3D images and more).
