Team CWR Partners Up with American Cancer Society

Bayville, NJ – CWR Electronics is pleased to announce they will be coming together to fight cancer by participating in the American Cancer Society’s Relay for Life in Berkeley Township, NJ, May 15th – 16th. Team CWR will camp out overnight and take turns walking around the track at Veterans Park to raise money and awareness for the battle against cancer. Relay for Life is a life-changing event that gives everyone across the globe a chance to celebrate the lives of people who have battled cancer, remember loved ones lost, and fight back against the disease. This is an especially meaningful event for Team CWR, who lost one of their own when Rick Cohen lost his battle with Pancreatic Cancer in August, 2009. Team members will be celebrating and remembering the life of Rick while supporting the many people still battling cancer today.

Each year, more than 3.5 million people in 5,000 communities in the United States, along with additional communities in 19 other countries, gather to take part in this global phenomenon and raise much-needed funds and awareness to save lives from cancer. Thanks to Relay participants, the American Cancer Society is creating a world with more birthdays - a world where cancer can’t claim another year of anyone’s life. CWR is also inviting their friends and customers to contribute to the cause by donating to the team. To help make a difference, please email TeamCWR@cwrelectronics.com.

About CWR Electronics

CWR Electronics is a full-service distributor of marine, outdoor, and consumer recreational products. With competitive prices and superior customer service, CWR continues to be a leader in wholesale electronics and outdoor products. CWR provides each of its dealers with the newest products from today’s top manufacturers in the industry, with orders shipping directly from the on-site warehouse. As an additional service, CWR will drop ship electronics to your customer, using customized shipping labels and packing slips. CWR is a wholesale-only distributor that proudly serves the marine, fitness, automotive, golf, camping, RV, and hunting industries.
