**International Membership Enrollment for EU GDPR**

**For European Union NMEA members only**

NMEA's Website contains a downloadable paper "NMEA Membership Enrollment Form" in PDF. This form does not include the consent to personal data (subject data) processing which NMEA is required to obtain from European Union ("EU") residents in order to be in compliance with the EU General Data Protection Regulation ("GDPR") and avoid the possibility of EU fines.

The following language needs to be added to the Form, and conspicuous, for International Membership applicants from all EU countries. It is required even if the applicant is a U.S. citizen living in the EU. We need a separate signature and date just for the consent area for the record and to be able to prove conspicuous consent:

**CONSENT FROM EUROPEAN UNION RESIDENTS**

By signing separately below, I hereby CONSENT and agree to the processing of my personal data, by NMEA, for the purposes of:

1. Providing the services to me that I am or will be entitled to receive as a member of NMEA;
2. NMEA taking the usual steps taken to process and approve a membership application; AND
3. Collection and processing of personal data as stated in the NMEA Privacy Policy & Terms and Conditions posted at NMEA's Website.
