City State Zip	Supervisor number	

CMET Renewal Fee - \$50

- The CMET renewal consists of a 25 question Renewal Test.
- All renewals applicants have the option of taking a 25 question practice test to review prior to taking the Renewal Exam. After payment is received, the practice test will be sent if you so choose and you will have a maximum of 30 days to notify the NMEA National Office that you are ready to take the 25 question Renewal Exam. At that time the Renewal Test will be sent to you. A minimum 80% passing score is required. If you pass, your credential will then be good for another five years. Should you not pass, you will have one additional chance to re-take the renewal exam. Should you again not pass, you will need to re-take the specific course and associated exam at the current rate, less the \$50 dollars you have already spent on the renewal attempt (i.e. \$50 discount).
- Certificate is good for five years.
- Exams are no longer requiring proctoring.

Check if you would like a Practice Test prior to the Renewal Test

By signing and submitting this application, I verify that the information is true, complete, and accurate. I understand that all information is subject to verification.
