

Concord Marine Electronics is looking for experienced techs who want to make a difference.

Top Pay for Top Performance, and a well-defined advancement path.

Join the Concord Marine Electronics team, which has earned 141 Five Star Google Reviews to date.

Minimum 5 years of recent experience working on Marine Electronic Systems, or Marine Audio Video Systems, or Yacht Networks, or Yacht Communication Systems

Qualified tech can display expertise in installing and troubleshooting Navigation, Communication, Audio Video, Network, and Security systems. Partial knowledge is acceptable.

Troubleshooting skills and NMEA Certifications are critical.

Candidate must have USA citizenship, have own tools, vehicle, valid driver's license, clean driving record, and live in the Broward County area.

Full-time position, some travel required, paid holidays, Health and Life insurance benefits, company uniforms, retirement account, vacation pay, company vehicle, and communication allowance.

Please email your current resume and copies of all certifications.

This Job Is Ideal for Someone Who Is:

- Dependable -- more reliable than spontaneous
- People-oriented -- enjoys interacting with people and working on group projects
- Adaptable/flexible -- enjoys doing work that requires frequent shifts in direction
- Detail-oriented -- would rather focus on the details of current project
- Can handle paperwork and documentation easily

Job Type: Full-time

Pay: \$35,000.00 - \$85,000.00 per year, depending on experience.

Benefits:

- 401(k) matching
- Health insurance
- Paid time off
- Uniforms
- Vehicle
